Navigating Your Way: The Utah Legal Guide for Those 55 and Over is a comprehensive information and resource legal book. It provides general information on various legal issues and programs including estate planning, guardianships, housing options, social security consumer rights, grandparents' visitation rights, and much more.

This book is the ultimate source for Utah's older residents and their caregivers to help navigate their way through government benefits, protect themselves against exploitation, and make informed decisions.

NAVIGATING YOUR WAY EXPLAINS HOW TO:

- get grandparent visitation rights
- get telemarketers to stop calling
- protect yourself from scams
- write a consumer complaint
- apply for social security
- determine if you need long-term care insurance
- write your own will
- write your end of life wishes
- get or avoid a guardianship
